Do all children attending need to be aged 9 or over? Can anyone under the age of 9 attend?

For our Group/ School Tour bookings, all children attending must be aged 9 years old and over. Anyone under the age of 9 will not be permitted entry.

Are Teachers/ Supervisors/ Guardians required to get in the water with the Group/ School booking?

As all children are aged 9+, it is not compulsory for Teachers/ Supervisors/ Guardians to enter the water (*Except if the participant has additional needs/ requires a carer*).

We do however request Teachers/ Supervisors/ Guardians to be present on poolside for the duration of the booking, to monitor the group and be easily accessible.

Ratios do apply, please see here for details: <https://www.sportirelandcampus.ie/aquazone-tours-group-bookings>

**If standing on poolside, Blue Shoe Covers or Flip Flops must be worn. No outdoor footwear permitted.*

There are some weak swimmers in the group, can flotation devices be worn?

All children attending must be competent swimmers.

Yes, safety floatation devices can be worn, however these are not permitted on the slides or water features for health & safety reasons.

We also recommend an adult supervisor to be in the water with any less confident swimmers.

Please notify a staff member on arrival if you have any weaker swimmers in the group, and they will be issued an additional 'Green' wristband, so staff are aware.

Any children with additional needs/ specific requirements or who require 1:1 assistance in the pool, please notify the facilities in advance and provide details of the accompanying guardian/ carer.

Cancellation & Attendee Amendment Policy:

- Bookings can be cancelled or moved with no charge if 5 or more working days' notice is given.
